

I. AUTHORITY

Federal regulations implementing the Americans with Disabilities Act of 1990 (ADA) requires public entities with 50 or more employees to designate a responsible employee and adopt grievance procedures providing for prompt and equitable resolution of complaints alleging noncompliance or complaints alleging any actions that would be prohibited under title II of the ADA. (28 C.F.R. § 35.107)

II. INTENT AND PURPOSE

It is the intent of the Sixteenth Judicial Circuit to fully comply with the ADA and to assure equity, fairness, and full participation in the judicial system for persons with disabilities.

The purpose of this procedure is to establish a mechanism for resolving complaints without requiring the complainant to resort to federal complaint procedures. However, complainants would not be required to exhaust this grievance procedure before they could file a complaint at the federal level.

It is the intent of the Sixteenth Judicial Circuit that complainants be consulted and advised, and that communications be maintained, at each step of the grievance process. It is further the intent of the Sixteenth Judicial Circuit to engage alternative dispute resolution techniques whenever necessary, and at any point in the grievance process.
